LIVE YOUR BEST LIFE WALK

After two days of filling up, the weekend ended with a day of giving back. Led by Oprah, 15,000 women walked two miles from the Intrepid Museum to Times Square, raising more than \$500,000 for ten deserving charities.

SUNDAY, MAY 9, 2010

Joining Oprah for the walk in support of their respective charities were Tracy Chapman (A Better Chance); Emmylou Harris, Neko Case, Rachelle Lefevre, Maggie Q and Lisa Edelstein (Best Friends); Caitlin Crosby (Camp C.O.P.E.); Mary J. Blige (FFAWN); Dr. Mehmet Oz (HealthCorps®); Bette Midler (NYRP); Andy Sharpless (Oceana); Elizabeth Banks (OCRF); Dr. Joia Mukherjee (Partners In Health); Chef Aaron McCargo Jr. and Chef Mindy Segal (Share Our Strength®); and Peter Walsh and Suze Orman.

Women filled New York City's Times Square at the finish of the Live Your Best Life Walk.

OUR CHARITY PARTNERS

We selected ten deserving charities to benefit from the walk. Dedicated to causes ranging from education, to health, to animal care, these organizations were extraordinary partners. Though the walk is over, they all continue to do amazing work and we encourage you to visit their websites to see how you can support them.
